

Worship Minister Description

Role Overview:

The Worship Minister role involves being a catalyst *helping people to find and follow Jesus* by engaging them and leading them through vibrant worship and praise.

General Requirements:

- Exemplify a personal relationship with Jesus Christ.
- Recognized as a person of impeccable character.
- Established experience in leading a worship ministry team.
- Proven people skills with ability to lead and develop musicians and artists with various personalities and communication styles.
- Maintain good working relationships with MRCC staff, eldership & members.
- Adhere to MRCC's personnel policies and Christian doctrine.

Primary Responsibilities:

- Develop and lead the Sunday worship experience through music, drama, and technical support.
- Recruit & develop new team members for all aspects of this ministry.
- Schedule and lead regular rehearsals and practices.
- Manage & work with our teams: pastor, band, technical, communion, etc.
- Evaluate worship services to increase quality and effectiveness.
- Identify opportunities, plan for, and coordinate special worship events.

Other Responsibilities:

- Administrative Responsibilities: Perform administrative duties related to primary responsibilities and other administrative actions as directed by the senior minister.
- Manage worship media like Planning Center, CCLI, CVLI, etc.
- General Ministry: Support and participate in all ministries and special events of MRCC as directed by the senior minister.

Additional Comments:

- A Bachelors or Associates degree in ministry is a plus (but not required).
- Skill with technical, website or social media is a plus (but not required).

Salary: Salary is competitive and commensurate with experience. (Full Time position)
